American Sewer LLC will use regular sewer equipment and methods. If however, it is found during the cleaning process, that the sewer tile or any of the inside lines or other pipes being serviced under this agreement are settled, broken, corroded or damaged, American Sewer, its' employees, or subcontractors are not responsible for any leaks or damage caused by rotted or hidden piping. We are not responsible for soft thresholds or stairs while It is mutually agreed that American Sewer LLC and associations shall not be held responsible for any discovered damages, making it impossible to properly finish the job. Any repairs to said pipes shall be done at the expense of the owner. In the event of emergency, American Sewer LLC shall not be held liable for any water damage that may result in the interim. We are paid to work on the drain not guaranteeing any results or outcomes. The signer agrees to pay 30 days and also pay collection fees / court costs should the bill go unpaid over 30 days.
